

English—The Day the Crayons Quit

We will be predicting the story and creating our own front cover based on what we think the story may be about. We will then write a letter which will show case our capital letters, full stops and finger spaces.

RE—What are festivals and why do we have them?

In RE we are learning about the festival of Light within the Hindu religion. We will be learning about Rama and Sita and the origins of the festival. As we near closer to Christmas we will be exploring Advent and the importance of it in Christianity.

Music—Rhythm in the way we walk.

We will be exploring the lyrics and learning them and eventually performing them. Later in the half term we will learn to play the tune of the song on the glockenspiel .

Maths—Place Value

In maths we are learning about place value with numbers to 100. We are learning to count forwards and backwards and how to use number lines. We are also learning about how to partition numbers into tens and ones.

Autumn 2 in Class 2

Geography— All around the world

We will learn about the seven continents, the five oceans and what it means for the climate of different countries when they are close or far away from the equator.

Nativity practice

We will be learning the songs to go along with our nativity this year and rehearsing every week so we are ready to perform to you all on Wednesday, 11th December at 2 pm!

DT– Finger puppets

We will looking at different types of finger puppets, designing our own then creating them using basic stitches or fabric glue.

Computing—Digital Imagery

We will be planning a simple story and then taking pictures. After this we will be exploring internet safety and what to do if we see something we don't like on the internet.
